COLLABORATIONS

AMERICAN RED CROSS AND BANCO DE ALIMENTOS DE PUERTO RICO

The two organizations joined forces and capacities to prepare and deliver 25,000 boxes of food to affected communities following Hurricane Fiona. The American Red Cross donated the food needed for food processing and Banco de Alimentos worked on the assembly, storage and distribution of food as part of the short- and long-term recovery effort following Hurricane Fiona.

VOLUNTEERING WITH PARA SERVIRLE

Together in action, Saturday, October 1, we opened our doors to receive volunteers on a Day of Service. The result? 925 boxes of food completed. Thank you *Para Servirle* for coordinating it, and to the volunteers and our employees, for always giving the extra mile.

THE PUERTO RICO STATE AGENCY FOR EMERGENCY AND DISASTER MANAGEMENT

Banco de Alimentos de Puerto Rico, being part of the Community Hubs program of the Emergency Management Bureau, opened its doors to volunteers of various government agencies, to assemble boxes and pack supplies at our facilities. In addition, we provided the distribution logistics for those affected by Hurricane Fiona.

DIRECT RELIEF

Thanks to Direct Relief for being an excellent support and giving us extra hands after the emergency.

SUPPORT FROM NEW YORK STATE

Gov. Kathy Hochul announced New York's support for Puerto Rico. We received 40,320 pounds of food and 4,032 pounds of water.

PUERTO RICO SALUDABLE WITH MCS AND BANCO DE ALIMENTOS

On September 7, MCS began *La Ruta Saludable*, as part of the Healthy Puerto Rico effort. Boxes from Banco de Alimentos were delivered to elderly centers in municipalities affected by Hurricane Fiona.

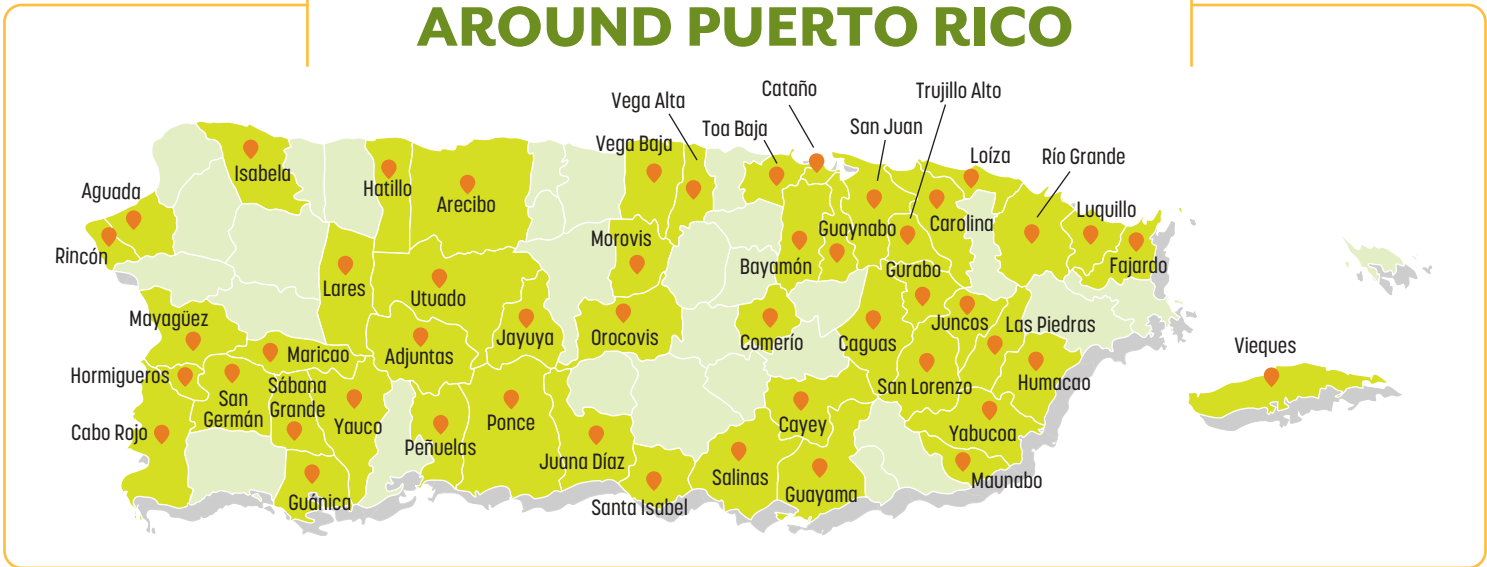

On October 15 and 16, 2022, the Food Bank of Puerto Rico also participated in the PR Saludable event in Ponce, delivering food and participating in various forums to continue to eradicate hunger among all the impacted populations of the Island.

USDA VISIT

After the hurricane, we received the visit at our facilities of USDA representatives. We are extremely grateful for your continued support in furtherance of our mission.
