**In this month of giving thanks for all the blessings received, we thank our collaborators and friends.**

## TODAY WE GIVE THANKS FOR THE WELL-BEING OF OUR CHILDREN!

Our goal being a #CeroHungerPuertoRico, these never-before-seen statistics, shared by the Instituto de Desarrollo de la Juventud, is a big step for our country.

Thanks to the impact of the 2021 Child Tax Credit, hundreds of thousands of families benefited drastically, reducing the level of child poverty from 55% to 39% in Puerto Rico.

## EVERYONE'S STRUGGLE BECOMES OURS, SO WE ARE GRATEFUL TO THOSE WHO HAVE JOINED OUR MISSION.

**VISIT OF GOVERNOR KATHY HOCHUL**

We received the visit of Governor of New York, Kathy Hochul, who again deployed additional resources in Puerto Rico, including a team of several emergency response personnel agencies, water and food donations, as Puerto Rico continues to recover from the catastrophic effects of Hurricane Fiona.

**INTERVIEW IN LO SÉ TODO INVESTIGATIVE SERIES: HUNGER IN PUERTO RICO**

Thank you to Saudy Rivera and the producers of *Lo Sé Todo* for welcoming and allowing us to participate in their research series: Hunger in Puerto Rico. We are grateful that you decided to present such an important issue for our communities. We hope that this will be the beginning of many positive changes regarding food security in the Island.

In order to help the victims of the floods that occurred the last week of October, Banco de Alimentos distributed 500 boxes between both towns.

**SOME IMPACTS**

In partnership with the Coalition of Coalitions, on November 3, 2022, our food boxes reached the homes of people still facing shortages after Hurricane Fiona.
