ANNIVERSARY OF BANCO DE ALIMENTOS

Banco de Alimentos celebrates 34 years providing food and hope to Puerto Rican families in order to relief hunger on the island. As part of the celebration, we present the **Second Puerto Rico Zero Hunger Announcement**. This year we open the call for proposals to any non-profit organization that needs funds to develop creative and sustainable projects that bring us closer to reduce hunger in Puerto Rico. The winning proposals will be announced on September 23, Hunger Awareness Day in Puerto Rico.

LA MOCHILA ALEGRE PROGRAM ARRIVES AT CULEBRA

On June 24, Mochilin landed in Culebra bringing with him La Mochila Alegre Program. After many moons, 100 children from various communities will receive their backpack full of food, joy and hope during the next 52 weekends of the year. This was possible thanks to the support of Acción Social (Social Action) and Asociación Educativa Pro Desarrollo Humano (Educational Association for Human Development). We are grateful for all that they do to improve the quality of life of our fellow citizens.

V2A CONSULTING

Banco de Alimentos was selected, among numerous applicants, to work an advisory project with the team of V2A Consulting in the "We Serve Fellows" Program. V2A Consulting is a strategic consulting company, and thanks to this opportunity, Banco de Alimentos will work on its Strategic Plan for the next three years of operations.

Alberto Morales, Linda Hubeny, Tim Walsh and the USDA Puerto Rico team.

USDA SAYS PRESENT!

Thank you USDA-FNS for your commitment to Puerto Rico. In addition to a tour of our facilities, USDA reaffirmed its support to developing new opportunities for the distribution of food with high nutritional content.

VISIT REP. HÉCTOR FERRER AND JESÚS MANUEL ORTIZ

On June 16, we received the visit of the Hon Representatives Héctor Ferrer Santiago and Hon. Jesús Manuel Ortiz. Both enjoyed the Banco de Alimentos tour and the possibilities of working together to reduce poverty and food insecurity in the island.

DONATIONS

PAN AMERICAN GRAIN

Pan American Grain joins efforts with our Organization with the donation of their products. Fernando Arteaga, Vice President of Marketing and Cynthia Arteaga, Brand Manager for Pan American Grain, were very impressed with the facilities and work of Banco de Alimentos.

VOLUNTEER PROGRAM

Grateful for the commitment of the pharmaceutical company Abbott and their incredible workforce, which made it possible to pack over 1,500 emergency boxes that will be used in the event of a disaster. Again this year, as in the past five years, about 27 employees of the manufacturing plants in Arecibo, Caguas, Barceloneta and the commercial area, worked hand in hand for a good cause, securing food to people in need. Thank you for so much generosity!
